ABOUT FREEDOM PLACE

Freedom Place Project creates brand new real estate developments in cities around the world that provide value to all stakeholders and also generate profits that can be donated,100%, to humanitarian causes. Freedom Place's latest initiative, Freedom Place Office Tower, will be the first-ever billion-dollar office tower to be built with the goal of all profits going toward the fight against human trafficking.

REAL ESTATE
FOR GLOBAL GOOD

"Human traffickers are earning billions of dollars on the backs and in the beds of our children," says Not My Life film director, Academy Award nominee, Robert Bilheimer,“ and yet no one knows this is happening. We have a huge responsibility, right now, to learn the truth and act on it."

2,000,000 sex slaves are trafficked into prostitution every year, and the U.N. estimates that worldwide slavery exceeds 36,000,000 people, more than ever before in human history.
